

REMARKS

Claims 1-4 are pending in this application. Claims 2-4 have been allowed. Claim 1 is objected to, but would be allowable if the objections to claim 1 were overcome. The finding of allowable subject matter by the Examiner is acknowledged and appreciated.

The specification has been objected to because "12" should be -26- on line 23 of page 7. Appropriate correction has been made.

Claim 1 has been objected to for reciting "a casing" in paragraph 3 after "the casing" had been previously mentioned in paragraph 2. Accordingly, the claim has been amended to place paragraph 3 before paragraph 2. The objection to claim 1 has now been overcome, and should be removed.

Please enter the allowance of claims 1-4.

In view of the above, reconsideration and allowance of the pending claims are respectfully solicited. Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

Richard W. Goldstein
